

# MAYOR'S AWARDS

On behalf of Kidderminster Town Council, The Mayor of Kidderminster, Councillor Juliet Smith, is launching a new awards scheme to recognise those who have given their time and support to benefit others. To start the scheme, and in recognition of the challenging times we have all experienced, we are looking to recognise exceptional contributions of people during the pandemic.

These awards are open to each and every citizen of Kidderminster and serve to recognise exceptional support for others – people who have gone above and beyond to help others.

## How will it work?

The awards rely on Kidderminster residents nominating potential recipients using this form. Once nominations are in, a panel of judges will meet to decide the recipient(s).

The Award(s) will be presented by The Mayor of Kidderminster in the Mayor's Parlour, Kidderminster Town Hall. Depending on the number of nominations, there will be more than one presentation over the coming year.

## How do I apply/nominate someone?

If you know someone worthy of recognition all you have to do is fill in the nomination form and send it to the Town Clerk at Kidderminster Town Hall (contact details below). Please ensure all nomination forms are accompanied with a photograph of the person you are nominating.

You can nominate any individuals, community group, voluntary organisation or business. As well as voluntary work, you can nominate someone for going over and above in a paid role in response to COVID-19. You can make more than one nomination and forms are available from [office@kidderminstertowncouncil.gov.uk](mailto:office@kidderminstertowncouncil.gov.uk) or our website [www.kidderminstertowncouncil.gov.uk](http://www.kidderminstertowncouncil.gov.uk).
